General Information

GTC Gymnastics & Activity Center offers 3 different party packages. The party fun consists of parachute, relay games and other selected activities appropriate to your child's particular age group. Following the group games, the children will participate on an Obstacle Course, Balance Beams, 2-Story Fun-House, Foam Pit, Cargo Net, Rope Swings and Trampoline.

Each party will be supervised and instructed by our experienced staff. The birthday child will receive a birthday medal and a surprise gift. Each guest will receive a balloon and a birthday party ribbon. Our birthday party planners handle set-up, activity stations, passing out the food and drink and clean up.

We have a refrigerator/freezer to store ice cream, cake and drinks.

Birthday Parties are held on Saturdays starting at 5:00pm and Sundays starting as early as 11:00am.
